

2012 CONDITIONS FOR PAYMENT & ENTRY TO STUD

We are pleased to accept your mare for covering at Lougherne Stud. Enclosed are the 2011 fees and conditions. Please pay particular attention to the indemnity in relation to insurance, which must be signed on arrival. We would also ask that passports accompany the mares to Stud. If you have any queries in relation to any of these matters please do not hesitate to contact us.

Kindest regards

Jane & William Collins

January 2012

GENERAL CONDITIONS FOR ENTRY TO STUD

- 2012 Breeding season 13.2.12 to 19.8.11
- All Breeders that use the services of Lougherne Stud Ltd. acknowledge the following terms and conditions for breeding and insemination
- **We value all our Clients and will try our best to accommodate special requests.**
- Please bring the mares passport with her to Stud. This will remain with the mare until she is ready for home.
- Stud entry forms must be completed to allow mares to enter stud. The payment agreement and disclaimer must be signed by Owner or Agent.
- We respectfully bring to your attention that no mare will leave Stud without her account being settled and without prior arrangement with a member of staff.
- All foals must be tetanused. This is good practice & can be done at Stud.
- Mares going to grass livery must have their hind shoes removed.
- All mares and foals going to grass will be wormed.

- A covering Certificate will only be released when the account is settled.
Sick animals will be treated by the Vet at the owners expense.

Lougherne Stud reserves the right to refuse any mare entry to Stud.

Mares and foals attending stud will receive every possible care and attention but we accept no responsibility for accident or disease. Animals attend stud at the owners risk. We advise owners to insure their animals. Trailers are left at entirely the Owners own risk.
